passion for Early Years
education, has 2
children in the school.

Emma Tuvey
Parent governor,
expertise in Finance, has
1 child in the school

Steph Harris
Parent governor, has 1
child in the school.

Introducing Governance at Hilperton C of E Primary School

Our role as volunteer governors is threefold; firstly, we ensure the clarity of vision, ethos and strategic direction for the school; secondly, we hold the school accountable for the quality of education and thirdly we hold the school accountable for the use of finance and resources and make sure the money is well spent.

To this end we meet either as a whole board or in smaller committees each term and we conduct observational activities within the school talking to all stakeholders (pupils, teachers, support staff, parents etc) and observing how the school is run in order to see the impact on the areas in question. The day-to-day operational running of the school is decided and carried out by the Senior Leadership Team, headed by Mrs Edmund. The Governors are there to ensure this is moving in the right direction and having a positive impact on our children and the whole school community.

For more information or if you would like to get in touch, please do so via the school office or use our email address: governors@hilperton.wilts.sch.uk
